# PURGE THE SWARM

“ NOTHING YOU SAY CAN TEMPT ME FROM THE PATH OF HONOUR

-- OR PREVENT ME FROM AVENGING MY BATTLE-BROTHERS. ”

*Lieutenant Titus*

**W**arhammer 40,000 Roleplay: **Wrath & Glory** is an exciting tabletop RPG set in the grim darkness of the 41st Millennium! It gives players the opportunity to take on the role of the heroes and villains of the Galaxy, and walk alongside one of the Imperium's greatest heroes: Demetrian Titus!

This PDF is designed to work with the **Wrath & Glory Rulebook** or the **Wrath & Glory Starter Set** rules (both are available at [cubicle7games.com](http://cubicle7games.com)). If you want to leap straight into the action, we've included a simple set of rules in **How to Play Warhammer 40,000 Roleplay - Wrath & Glory** (page 29) so you and a group of friends can get started. One player will have to take on the role of GM, narrating the action and events, while the others can take on the roles of Titus and his squad.

In this PDF you will find everything you need to bring the action of Warhammer 40,000: Space Marine 2 to your Wrath & Glory games including:

- A detailed rundown of the Recidious system's major worlds, Kadaku and Avarax, as well as their unique features and dangers
- New rules for the vile bioforms of the Tyranid Swarms, and Threats for a variety of Tyranids from the lowly Spore Mine to the fearsome Carnifex.
- Stats for the three protagonists of Space Marine 2, Lieutenant Titus, and brothers Chairon and Gadriel, so you can play as these heroes in the war for the system.
- A selection of sample missions is also provided, allowing you to jump straight into the fray.
- The Deathwatch Blackshield Archetype, allowing players to take on the mantle of a penitent Space Marine.
