## This is a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The page features a decorative border with a repeating floral or scrollwork pattern in a dark brown or black ink. At the top center, there is a small, stylized illustration of a bird, possibly a crow or raven, perched on a branch. The paper shows signs of age, including slight discoloration and a textured surface.

Diagram illustrating three types of glass containers used in alchemy:

- DROPS**: A small, round-bottomed glass vessel with a narrow neck.
- PHIALS**: A larger, round-bottomed glass vessel with a wider neck.
- SPHERES**: A spherical glass vessel with a small opening at the top.
